The Family Kitchen Gardener

by Robert Buist

The Family Kitchen Gardener contains plain and accurate descriptions (ca 1847) of all the different species and varieties of specifically American culinary vegetables, fruit, and herbs in alphabetical order. It includes the best mode of cultivating, propagating, and managing them in the garden or under glass, and a description of the best implements used in maintaining such gardens.

This project has 22 files and a total running time of 7:47:22.

Read by Bellona Times, storm, Kalynda, Annise, Linda Ferguson, Jennifer Stearns, Denny Sayers, Lynne Carroll, dana-allen, Ray Smith, JenniferW and Annise

Dedicated Proof-Listener: Jennifer Stearns

Cover design: Bart de Leeuw

Book Coordinator/Meta-Coordinator/Cataloging: Annise
